נושא: Entry of Israeli Citizen holding a provisional passport to Liechtenstein

Dear Mr. Gervits

With reference to your fax from the 29th November 2011 about the entry of an Israeli citizen holding a provisional passport to Liechtenstein, I may give you the following answer to your question:

For the entry to Liechtenstein with a provisional Israeli passport, please contact the Swiss embassy in Tel Aviv. When travelling from Israel to Liechtenstein you have to fulfil the entry conditions for Switzerland, as you usually will travel via Switzerland (Zurich Airport). There is no international airport in Liechtenstein. Usually, if the entry conditions for Switzerland are fulfilled, the same applies to Liechtenstein.

Contact details of the Swiss embassy in Tel Aviv:

Embassy of Switzerland

278 Rue Hayarkon

Embassy of Switzerland
P.O. Box 6068
61060 Tel Aviv, Israel

Tel.: +972 3 546 44 55

I hope we could help you with your request.

Best regards,
Christian Blank
