Dear Mr Gervits,

Thank you for your inquiry and please excuse the delayed response.

Please note that the Embassy only provides assistance in specific individual cases for applicants who wish to enter Germany. In addition, there is no legal basis for the issuance of the certificate you provided (Annex 2) by the Embassy. To my knowledge, at least in recent years no such certificates have been issued by the Embassy.

For general information on the validity of certain travel documents for entry into Germany, a good first guide can be the information publicly available on the website of the European Council (PRADO, Public Register Of Authentic Identity And Travel Documents Online of the Council of the European Union).

Mit freundlichen Grüßen/Kind regards,
