Dear Sir/Madam,

Thank you for your e-mail of 15 May 2023.

Under the existing visa-free visit regime, an Israeli national holding a “Israeli Provisional Passport (also name as “Travel Document in lieu of National Passport”) may visit the Hong Kong Special Administrative Region (HKSAR) without a visa for a period not exceeding 90 days.

Apart from the visa requirement, any person who intends to enter the HKSAR for visit must also fulfil normal immigration requirements (such as holding a valid travel document with adequate returnability to his/her country of residence or citizenship; be of clear criminal record and raise no security or criminal concerns to the HKSAR; have no likelihood of becoming a burden on the HKSAR, etc.), have a bona fide purpose of visit, have adequate funds to cover the duration of his/her stay without working and hold onward or return tickets (unless in transit to the Mainland of China or the Macao Special Administrative Region), before entry to the HKSAR may be granted.

I hope you will find the above information useful.

Best regards,

CHAN Long  
for Director of Immigration
