Question about Israeli provisional passport acceptance for visiting the Netherlands-reminder

Dear Sir, Madam,

Thank you for your message. We have been unable to respond sooner as a result of the large amounts of messages we are receiving. Our apologies for the delayed reply.

In your email you inquire about the requirements for visa-free travel with an Israeli provisional passport. You can use the following checklist to see whether a visa is required:

<http://www.netherlandsworldwide.nl/visa-advisor>

When filling in 'Israel' as a nationality, the advisor shows that a visa is not necessary, independent of the type of passport one holds. Therefore, I conclude Israeli nationals with a provisional passport do not require a visa to enter the Netherlands.

I trust to have informed you sufficiently.

Kind regards,
